HOPE *for the* HEART

WWW.HOPEFORTHEHEART.ORG

Hope for the Heart is a worldwide biblical counseling, coaching, and caregiving ministry founded by June Hunt in 1986. We're passionate about helping people understand and apply God's Word to life. That's why they provide biblical resources on over 100 real life issues. In addition, Hope for the Heart has created a comprehensive curriculum to equip ministry leaders as they counsel and care for the people God has placed in their lives.

9:00 - 11:50am **IDD Session 1**

Dr. Eric Scalise and Haley Scully will be leading us in a training on the mental health crisis. Through this training, maternity housing leaders are equipped with mental health and first responder-informed strategies to compassionately serve the women and children entrusted to their care. Together, we will engage in a case study discussion that reflects the real challenges maternity ministries face, as we strive to serve our residents holistically and with love.

12:00 - 1:00pm **Lunch**

1:15 - 4:00pm **IDD Session 2**

In the afternoon session, Dr. Eric Scalise and Haley Scully will pour into you as the leader. This time is dedicated entirely to you, focusing on the realities of stress, burnout, and fatigue we all experience in ministry. Together, they will offer practical tools and resources to help you continue serving your home from a place of renewed strength and love.
